

It's a Fact: Only 15% of All Little Leaguers Play High School Baseball... Less than 3% of those will play in College

What Happened to the Other 85%?

30% do not move up because of physical inability to play at a higher level.
55% do not move up because of lack of instruction during the developmental years.

Let the Baseball Academy Staff help improve these numbers for your son!

You should know since 1984:

- Our players have received more than Three hundred million dollars in scholarships and signing bonuses!
- Over five-thousand of our former participants have gone on to play in college!
- More than 500 have been drafted!
- Fifty four USA Baseball National Team Trials and National Team Players!

Will you be next?

**Your developmental years are short, and the clock is ticking on your future.
Can you really afford to wait?**

If you have a vision of playing college or professional baseball, or on a USA Baseball National team then the Highlanders may be for you.

Tryouts will be held on **Wednesday October 18th** at the Academy Training facility in South Jordan. The tryout schedule will be as follows. Parent's orientation for both groups will be held right after the tryout. 8U, 9U, 10U, 11U & 12U **4:30**, 13U & 14U **7:00**
